FROM

THE SECRETARY
TO THE HON'BLE THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

CHIEF SECRETARY 27 OCT. 1942 GOVT OF MYSORE

Dated Bangalore, the 27th October *1942.*

Identity cards for civil officers.

SIR,

I am directed to enclose a copy of a letter from the Government of India, War Department (Army Branch) to all Provincial Governments and Administrations, No.1122/G.S.I(b) dated the 18th September 1942.

2. I am to state that the numbers of identity cards required for the Civil and Military Station, Bangalore, are now being worked out. It is clearly desirable that those civil officers of the Mysore Service who are likely to come into contact with military officers in the course of their duties, should Mysore prove to be a potential operational zone, should also possess identity cards. This is being arranged in the Provinces on varying scales. It is however suggested that cards might be issued to

(a) all Ministers,
(b) all Secretaries to Government,
(c) all Gazetted Police Officers,
(d) all District Magistrates, Additional District Magistrates and Sub Divisional Officers,
(e) all Superintending Engineers, Executive Engineers and Sub Divisional Officers, Public Works Department,

(f)

(f) certain A.R.P. officers and
(g) any officers detailed or likely to be detailed for special service such as liaison officers

3. The Hon'ble the Resident would be glad to know if the Mysore Government agree.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.

To

All Provincial Governments and Administrations.

Identity cards for civil officers.

Sir,

I am directed to say that as a security measure all officers of the Army in India now carry photographic identity cards to enable them to establish their identity when challenged. One major purpose of this measure is to prevent "fifth columnists" from posing as military officers.

2. The Government of India consider that there is also a danger of "fifth columnists" trying to pass themselves off as civil officers and they would be glad if the Provincial Government/Administrations would consider the advisability of issuing identity cards to such civil officers as are brought by their work into contact with ~~xixxxxx~~ military officers in potential operational zones. If the Provincial Government/Administration agree, they will doubtless consult the General Officers commanding-in-Chief, the Armies and Command concerned as to whether there is a potential operational zone within the Province or Administration and if so as to the particular civil officers who should be issued identity cards. It may be necessary, to begin with, to confine the issue of cards to gazetted officers. I enclose for your information, copies of the marginally noted documents as an indication of the procedure followed for the issue of military identity cards and I am to suggest that all Provincial Governments/Administrations might find it convenient to utilise the same form of identity card, of which a specimen is enclosed and which could be printed by the Security Printing Press at Nasik which also prints the military cards. If Provincial Governments/Administrations agree to this form of card, instructions will be given to the Security Printing Press to

-- I am also to suggest that details as to the authorities who should be responsible for issuing these cards can best be decided on the spot between the Provincial Government/administration and the military commander concerned.

3. I am to add that these identity cards will not replace passes which are issued for admission to military protected places. The issue of these passes will continue to be governed by the present rules, which apply to civil and military personnel alike.

***

Extract from the Secretary to the Hon'ble the Resident in Mysore, to the Chief Secretary to Government, Bangalore, dated 27th October 1942.

I am to state that the numbers of identity cards required for the civil and Military Station, Bangalore, are now being worked out. It is early desirable that those civil officers of the Mysore Service who are likely to come into contact with military officers in the course of their duties, should Mysore prove to be a potential operational zone, should also possess identity cards. This is being arranged in the provinces on varying scales. It is however suggested that cards might be issued to

(a) All Ministers,
(b) All Secretaries to Government,
(c) All Gazetted Police Officers,
(d) All District Magistrates, Additional District Magistrates and Sub Divisional Officers.
(e) All Superintending Engineers, Executive Engineers and Sub Divisional Officers, Public Works Department.
(f) Certain A.R.P. Officers and
(g) Any officers detailed or likely to be detailed for special service such as liaison officers.

Copy of the letter No.3273-Sec./42.1 dated the 18th September 1942, from the Government of India, War Department New Delhi, to all Provincial Governments and Administrations.

Copy of the Draft Southern Army Order regarding identification of military and civilian personnel (No.G.S.I.(b).439).

DRAFT SOUTHERN ARMY ORDER.

IDENTIFICATION OF MILITARY AND CIVILIAN PERSONNEL.

S.A.O.No

1. It is most important that military personnel should establish their identity before discussing official business with civil authorities.

2. Before opening an official conversation with a civil authority, whom they do not know, military personnel will first establish their identity by producing their identity card or pay book. They will also satisfy themselves as to the identity of the civil authority. Certain civil authorities are being issued with civil identity cards.
